My First Road Trip Pack

Big, playful games for little hands — with Nova & Cosmo

Print it • Grab some crayons • Play the whole way there thebrainbus.fm

WELCOME ABOARD

Hello, little explorer!

Big pictures, bright colours and no reading needed — just point, spot and colour along the way. Grown-ups: read the little prompts aloud and let those tiny hands do the rest.

Hi, I'm Nova! I drive the big yellow Brain Bus. Can you find things out the window with me?

And I'm Cosmo, beep boop! Grab your crayons — there's lots to colour. Let's go!

1

Print it

Colour or black-&-white — both are perfect.

2

Grab crayons

Big chunky ones are just right for little hands.

3

Play as you go

Point, spot and colour all the way there.

Grown-up tip: Pop the pages in a plastic sleeve or **laminate them** with a chunky dry-erase crayon — now they work on **every trip**, no reprinting.

Colour the Brain Bus

Nova's bus needs its colours! Make it as bright and bonkers as you like.

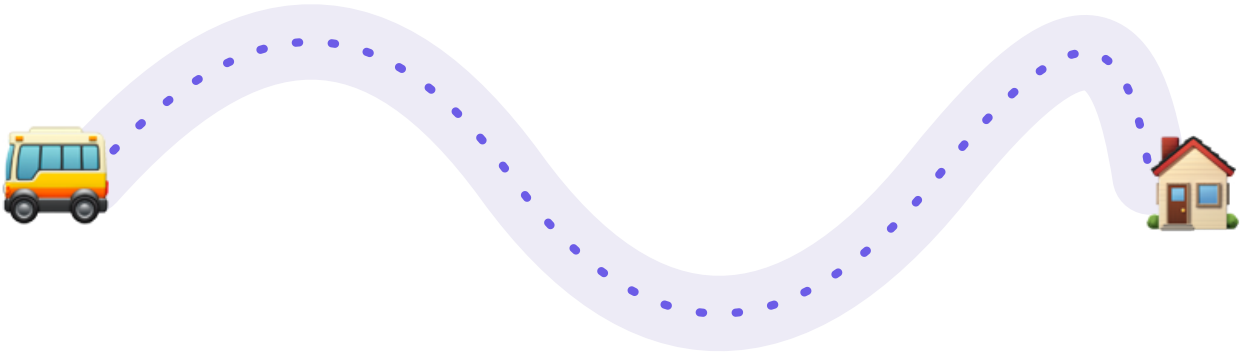

Cosmo says: There are no wrong colours here. A purple bus? A rainbow bus? Yes please!

FOLLOW THE ROAD

Drive the Bus Home

Use your finger, then a crayon, to follow the road all the way from the bus to the house.

Nova says: Beep beep! Slow and steady — follow the dotty line and we'll get home just in time for a snack.

SAME, SAME!

Match the Shadow

Draw a line from each picture to its matching shadow. Which shadow belongs to which?

SPOT THE COLOUR

Cosmo's Colour Hunt

Find something this colour out the window — a car, a sign, a flower! Then colour the star.
